We believe there should be no barriers to accessibility when it comes to having a wonderful holiday.

That's why Willerby have designed the Richmond to be a comfortable home for both wheelchair users and their families.

This well thought out holiday home has 2 bedrooms and sleeps up to 6 people.

Comes with wide access, low threshold door and sliding internal doors making coming and going that little bit easier.

The dining table can be accessed comfortably by wheelchair users and is a truly practical space.

The galley kitchen has wide access and is well appointed with a low level cooker and sink to make food preparation easy.

The main bedroom features a portable helper frame to aid your night time routine and also offers the option of replacing the twin beds with a double bed if preferred.

The large bathroom with shower comes with safety accessories.
